Celebrating 25 years of Service

by Deaconess Lauren Olsen

It is amazing that of the 28 years that I have served as a deaconess, 25 has been here among the people of St. John's. When I came to St. John's 25 years ago, I was still a fairly new deaconess, I had served my internship in Detroit, my first position in Plainfield, New Jersey, my second at Concordia University (it will always be River Forest to me) and Messiah by (Midway Airport).

As I think about my time as your deaconess, there are many memories that I reflect on:

- ❖ Church picnics in the pasture- worship, great food, games and fellowship.
- ❖ Youth activities- Sunday Morning Bible Study, National Youth Gatherings, scavenger hunts, retreats, Servant Events (remember when we went to West Virginia and our sleeping quarters was a former funeral home or in South Dakota sitting in the hall singing hymns during a tornado siren), fun d raising, rafting in Wild Rose Wisconsin, Crystal Ball.
- ❖ Going to San Antonio for Stephen Leader training, training Stephen Ministers, and organizing continuing education, and serving as a Stephen Minister.
- ❖ Small group Bible studies-the idea was to gain experience in a small group and then multiply to form more small groups, but you all loved being together and studying God's Word...you just had to stay together for at least 9 years (BLT)!
- ❖ Women's retreats-remember the time we tried to have a silent retreat? We of course did a chocolate retreat, and a Spa retreat. We've retreated at Walcamp, in Elburn at the Deaconry, at the Stronghold, in Lake Geneva, and at hotels.
- ❖ Evangelism and outreach- Friendship weekends, Expo, Car Shows, Connecting Committee Vacation Bible Schools, Little Blessings, Sports Camp (In His Name we play!), Upward Soccer, English as a Second Language.

- ❖ Friendship Club Trips—always an adventure, good sharing, learning new things, serving then the group became the JOY Group (Jesus Older Youth)—we still travel, eat and serve.
- ❖ Coming along your side—for many of you as you have had challenges in your life, I have had the privilege to pray with you before surgery, to listen, and to be there in tough times as well as celebrations.

In all of this, I am sure I have only skimmed the surface of what has happened in 25 years. You all have taught me so much. You have shared the unconditional love that you first experience from our loving God, you express His love and forgiveness always, and you always want to grow in your faith and in love and service to others. Thank you for calling me to be your deaconess 25 years ago! It is a joy to serve my Lord and His precious ones here at St. John's.

Schauer Home Project

By Wayne Gehring

The Schauer home project is an 18' x 24' two story addition that will provide an expanded kitchen, two new bathrooms, master bedroom, closets in each bedroom, office, laundry room and space for home school for the entire family. The project is expected to be completed using volunteer labor, Prayers, Trust in God and financial support you may wish to contribute. The goal is to have the project finished by the first week in October. Pastor Schauer and his family will be staying at Mark and Sherri Manninen's home until project completion.

The project began in late June with excavation for the foundation and footing by Doug Borhart and a number of helpers from Landmark Construction; which was completed on July 24th. Beginning July 27th we started framing the walls and putting up the floor trusses. From July 27th until August 5th we are scheduled to complete the framing up to the roof. Beginning August 6th we hope to have enough volunteers help tear off the existing roof, put up the rafters for the new roof and seal the roof to keep out water. Shingles are then able to be installed, but may be delayed until volunteers are available. Project pictures and estimated expense statement will be on display in the church narthex.

The design was put together by Wayne Gehring. Jerry Stoerp and Rob Roseman are the carpentry leads and Jim Johnson and John Bertram are the electrical and plumbing leads. Paul Hill and Mark Manninen are the volunteer coordinators for labor and meals.

We are truly blessed to have volunteers and helpers who have gotten us to this point, but additional help is always needed. If you would like to volunteer for work, providing meals and lunches or any type of help please contact Paul Hill. We can always find a job for you to do!

Estimated Expenses*

Basement Excavation and Cement	\$6,500
Floor Trusses (39 Units)	\$3,000
Laminate Beams	\$500
T&G Flooring	\$500
Styrofoam Sheeting	\$500

***See full expense report in Narthex**

A benevolence fund has been set up at church whereby you can receive tax credit on your contribution. When making your contribution you may request that it be given to the Schauer Home Project. *(Please see Benevolence Fund Policy included in this Newsletter)*

Keep this project, Pastor, Melanie and the entire family in your prayers that God will provide what is necessary to complete the addition by October.

- ☒ Look forward to "Wins" tomorrow. Ignore wins that were hoped for but not fulfilled.
- ☒ Celebrate all of life's wins as you go.
- ☒ Find God at work in your life DAILY as you walk on his path.

Feeding of the Homeless

For the past few years, over 40 individuals from St. John's have participated in serving breakfast to between 40-60 homeless people that meet at the Vineyard Church in Elgin.

The third Wednesday of every month, a group of up to 6 people prepare and serve a breakfast. They meet at St. John's at 6am and return around 9am. The meals consist of hot foods like casseroles or soups; plus fruit, juice, milk, bread, cookies and cakes. Hot meals are served during the winter months and sandwiches are served during the summer.

If you are interested in helping by shopping, preparing food, baking, providing transportation, serving these meals or donating financially to this effort please contact Mitzie Gehring (815 923-4366) or Sue Ziller (815 923-2733)

SCRIP

SCRIP is a gift card program that benefits our St. John's Tuition Education Program. **It is incredibly EASY!** All you do is purchase gift cards at their face value, and those companies give back a portion of the sale to our Tuition Education Program.

Coffee on your way to work? How about Starbuck's or Dunkin' Donuts. Going out to lunch? We have Panera Bread, Olive Garden or Dairy Queen. Buying Clothes? How about a Kohl's card or Dick's Sporting Goods. Need to fill up on Gas? Need a birthday gift? The choices are endless.

And it doesn't cost you a penny more than the actual gift card and it **GREATLY BENEFITS** our church.

Please stop by the SCRIP table after church to see what's in stock. We have gas cards, groceries, restaurants, shopping and much, much more. Need it during the week; call the church office to see what's in stock. If you want a specific company; we can get it for you. Ask for a list of companies that participate at the SCRIP table; HUNDREDS of companies are available!

This program has the potential of earning thousands of dollars for our church. Thank you for supporting Lutheran education.

Benevolence Fund Policy
